Welcome to 1630 Fitzwater Street – a thoughtfully designed residence offering four levels of expansive, comfortable living in the heart of Philadelphia. Blending style, functionality, and modern convenience, this home is perfectly suited for today's lifestyle, featuring multiple flexible living spaces, oversized bedrooms, generous walk-in closets, a finished basement, and two exceptional outdoor areas. The main living level welcomes you with an open, airy layout enhanced by 9-foot ceilings, recently refinished hardwood floors, and refined architectural details including chair rail and crown molding. A gas fireplace serves as a warm focal point in the living room, while a centrally positioned staircase creates a natural flow between the living, dining, and kitchen spaces without compromising the open-concept design. The dining area comfortably accommodates a table for eight beneath a statement chandelier and offers additional functionality with a coat closet—ideal for pantry
